DOMINION ORDERS IN COUNCIL.

P.C. No. 1527.

CERTIFIED TO BE A TRUE COPY OF A MINUTE OF A MEETING OF THE COMMITTEE OF THE PRIVY COUNCIL, APPROVED BY HIS EXCELLENCY THE GOVERNOR-GENERAL, ON THE 21ST AUGUST, 1929.

THE Committee of the Privy Council have had before them a report dated 31st July, 1929, from the Minister of the Interior, submitting that The Edmonton, Dunvegan and British Columbia Railway Company has applied for letters patent covering lands required for the right-of-way of the railway in the North-east Quarter of Section 36, Township 71, Range 2, west of the 5th meridian, in the Lesser Slave Forest Reserve, in the Province of Alberta, which may be more particularly described as follows:—

That portion of the North-east Quarter of Section 36, Township 71, Range 2, west of the 5th meridian, taken for railway right-of-way purposes as shown coloured pink on a plan of survey of the Edmonton, Dunvegan and British Columbia Railway, signed by J. L. Côte, D.L.S., on the 14th day of August, 1916, approved and confirmed by E. Deville, Surveyor-General, on the 30th day of October, 1916, and of record in the Department of the Interior under No. 24696, a duplicate whereof is on record in the Land Titles Office of the North Alberta Land Registration District at Edmonton under No. B.K. 6920, and containing by admeasurement one and fourteen hundredths (1.14) acres, more or less.

The Minister states that as only a small portion of this railway lies within the Lesser Slave Forest Reserve, and as letters patent have been granted free of charge for the right-of-way outside the reserve, it is deemed advisable to grant the Railway Company letters patent for the small area within the reserve.

The Minister therefore recommends that he be authorized under the provisions of section 18 of the "Forest Reserves and Parks Act," chapter 78, R.S.C. 1927, to grant letters patent to The Edmonton, Dunvegan and British Columbia Railway Company for the above-described land in consideration of a nominal purchase price of \$1.

The Committee concur in the foregoing recommendation and submit the same for approval.

(Signed) E. J. LEMAIRE,
Clerk of the Privy Council.

The Minister of the Interior. 7412-se5

P.C. No. 1579.

CERTIFIED TO BE A TRUE COPY OF A MINUTE OF A MEETING OF THE COMMITTEE OF THE PRIVY COUNCIL, APPROVED BY HIS EXCELLENCY THE GOVERNOR-GENERAL, ON THE 21ST AUGUST, 1929.

THE Committee of the Privy Council have had before them a report, dated 12th August, 1929, from the Minister of the Interior, submitting that by Order in Council of the 18th of June, 1925, the Abernethy-Lougheed Logging Company, Limited, which is operating extensively in the vicinity of Stave Lake, in the Railway Belt, in the Province of British Columbia, was granted permission to export certain cedar timber for a period of six

months; that in consequence of the congested state of the cedar market several extensions of time have been granted by Orders in Council to the said company permitting them to continue exporting, the last extension granted being six months from the 22nd of January, 1929, the date of expiry being the 22nd ultimo.

This privilege has been of benefit not only to the Company in question, but is working out to the satisfaction of the local timber merchants, as it enables a large quantity of low-grade cedar to be taken from the booms which is not in demand locally, and such action also encourages the logging of a good deal of timber that would otherwise be unmerchantable.

The applicant has applied for a renewal permit, the intention being to export low-grade cedar logs only to the Japanese market.

The Minister, being satisfied that the applicant is not taking any undue advantage of, or endeavouring to exploit an export trade to the detriment of the local mills, and being of the opinion that it would be in the public interest, recommends that a further extension of six months from the 22nd of July, 1929, be granted to the said Company to export cedar-logs, subject to the payment of dues as authorized by the last Order in Council, dated the 9th of February, 1929, i.e., \$3 per thousand feet B.M. on logs grading No. 1, \$2.50 per thousand feet B.M. on logs grading No. 2, and \$2 per thousand feet B.M. on logs grading No. 3, these rates being in excess of those charged under the regulations governing the disposal of timber cut from licence berths on Dominion Lands, the operations to be subject to such conditions as he may determine and the mills in the district to be first given an opportunity of acquiring any portion of the cut that may be required for manufacturing locally.

The Committee concur in the foregoing recommendation and submit the same for approval.

Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Wednesday, the 21st day of August, 1929.

PRESENT.

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

WHEREAS by an Order in Council, dated the 26th April, 1922, P.C.868, section 34 of the regulations governing the disposal of the petroleum and natural gas rights, the property of the Crown in the Western Provinces and Yukon Territory, approved by Order in Council, dated the 19th January, 1914, and amended by subsequent Orders in Council, was amended to provide that no well for the discovery of petroleum and natural gas shall be bored or drilled within two hundred feet of any of the boundaries of the location described in the lease, except in accordance with regulations duly approved by the Minister.

And whereas the Minister of the Interior reports that the location comprised in a petroleum and natural gas lease may include parcels of land on either side of a road allowance or roadway, and in order to prevent wells being drilled adjacent to a road allowance or roadway to the annoyance of the public, it is considered that the regulations should be amended.

Therefore, His Excellency the Governor-General in Council, on the recommendation of the Minister of the Interior, is pleased to order that said section 34 of the above-mentioned regulations be and it is hereby further amended by the insertion, after the word "lease" of the words "or of any road allowance or surveyed roadway which intersects the location."

Clerk of the Privy Council.
